

Creating Your Member Account

Make renewing your membership, registering for programs and events, and buying items from our online store easier by creating your member account! Our new member portal and registration system is up and running, and we highly recommend that you set up your log-in information and create your new password now to save you time on your next visit. Signing in to your member account also ensures you receive your membership discount when buying items from our nature store and for our programs.

New and renewing members, please follow these steps:

1. Visit <https://beavercreekreserve.doubleknot.com/signon/4370>
2. Click "Need Help Logging On?"
3. Enter the email address associated with your membership.
4. Click "Continue." You'll receive an email with your login information. You will be prompted to create your new password as soon as you log in.
5. Once you have retrieved your login information, you can click the registrations tab, then view details next to your membership to retrieve your digital membership card.

If you have any questions or problems logging in, please do not hesitate to email us at bcr@beavercreekreserve.org or call us at 715-877-2212.
