Please read through the materials about Wildlands on the website
www.wildlandsschool.net,

Print this form and mail in.

After you have read about the school, please answer the following questions on the next page.

Please attach (or have your school send) a copy of your high school transcript if you are applying for 9th through 12th grade.

Please attach a recent report card if you are applying for 7th or 8th grade.

Application questions:

- 1. What interests you about attending this school?**
- 2. Do you like being outside in all kinds of weather? If so why? If not, why not?**
- 3. To be a student at Wildlands you need to be interested in learning. You also need to be able to be responsible and independent.. Write a short description of what you are interested learning, and explain how you can be a responsible and independent Wildlands team member. Use examples from your background to illustrate your points.**
